

ZERO TOLERANCE LAW for Underage Drinking and Driving

Zero tolerance is a state law that went into effect on January 1, 1995, and provides for the suspension of driving privileges of any person under the age of 21 who drives after consuming alcohol. As the name Zero Tolerance suggests, any trace of alcohol in a young person's system can result in a suspended driver's license. The only exception are minors who consume alcohol as part of a religious service, or those who ingest a prescribed or recommended dosage of medicine containing alcohol.

Possession of Alcoholic Beverages

It is illegal for any person under the age of 21 to have alcoholic beverages in their possession, whether open or unopened. Penalties include a maximum \$2,500 fine and up to one year in jail.

Using a Fake Illinois Driver's License or ID Card

Obtaining a driver's license through false affidavit or using a fake ID is serious and could change your life forever. Penalties include:

- Punishment of 2-5 years in prison and a maximum \$25,000 fine.
- A fine of not less than \$500 and at least 25 hours of community service.
- Allowing another person to use your identification documents to apply for a driver's license or ID card is punishable by 1-3 years in prison and a maximum \$25,000 fine.

Teenage Drinking and Driving

TEENAGE DRINKING AND DRIVING

- Drivers under age 21 represent 10% of licensed drivers but are involved in 17% of alcohol-related fatal crashes.
- If you are arrested for DUI you will be handcuffed and taken to jail.
- Illinois DUI laws for drivers under 21 years of age are tough and will affect your life for years.
- Crashes are a leading cause of death for teens.
- Nationally, six individuals between the ages of 15 - 20 die in motor vehicle crashes each day.
- About two in every five Americans will be involved in an alcohol-related crash at some time in their lives.
- What will your parents say when you call home and tell them you are in jail?

Parental Responsibility

Parents should know that it is a Class 4 felony, with a possible imprisonment of 1-3 years and a fine of up to \$25,000, to knowingly allow individuals under 21 to drink in their home if great bodily harm or death results from this action.

DID YOU KNOW?

The average college student spends more money for alcohol than for books.

LEGAL CONSEQUENCES OF UNDERAGE DRINKING AND DRIVING

First Underage 21 DUI Conviction

- Loss of driving privileges for a minimum of two years.
- Possible imprisonment for up to one year.
- Maximum \$2,500 fine.

Second Underage 21 DUI Conviction

- Loss of driving privileges for a minimum of three years or until age 21, whichever is longer.
- Mandatory 48 hours in jail or ten days of community service.
- Possible imprisonment for up to one year.
- Maximum \$2,500 fine.

Third Underage 21 DUI Conviction - Class 4 Felony

- Loss of driving privileges for a minimum of six years.
- Possible imprisonment of one to three years.
- Maximum \$25,000 fine.

Underage Illegal Transportation of an Alcoholic Beverage

- Maximum fine of \$1,000.
- Driver's license suspended for first conviction.
- Driver's license revoked for a second conviction.

Implied Consent

By driving on Illinois roadways, a driver agrees to submit to testing for alcohol or other drugs. Refusing to submit to testing results in a longer suspension of driving privileges than that received for test failure. A test refusal can be used as evidence in a DUI case.

Attendance Required

A person under age 21 found guilty of DUI may be ordered by a judge, as a condition of probation or discharge, to participate in the Youthful Intoxicated Driver's Visitation Program. The offender will undergo a comprehensive counseling session prior to visitation to determine if the program is appropriate. If approved, the offender may be sent on a supervised visit to a location where the results of alcoholism or DUI crashes may be viewed.
