

**PRELIMINARY BREATH TESTING
TEMPORARY APPROVAL LIST**

Upon review of the National Highway Traffic Safety Administration's (NHTSA's) approval of the Intoxilyzer 500 breath testing equipment; and

After conducting a program suitability evaluation upon the Intoxilyzer 500 breath testing instrument manufactured by CMI, Inc., and

WHEREFORE, the Intoxilyzer 500 breath testing instrument manufactured by CMI, Inc., has been placed on the listing of approved breath testing equipment by NHTSA; and

WHEREFORE, the program suitability evaluation conducted by the Alcohol and Substance Testing Section (A & S T Section) of the Illinois State Police showed the Intoxilyzer 500 breath testing instrument manufactured by CMI, Inc., is compatible with the current preliminary breath testing program administered by the Illinois State Police;

NOW BE IT THEREFORE RESOLVED, the Intoxilyzer 500 shall be placed on the list of preliminary breath testing instruments temporarily approved for use as a screening device; said approval to be effective January 10, 2015, and expire eighteen months from date of approval.

Dated: January 6, 2015.
